CG108 | *The Music of Eric von Essen Volume II*

Some of the best known jazz artists in L.A. have come together to pay tribute to the late bass player and composer Eric von Essen who worked with Art Farmer, Bob Brookmeyer, Warne Marsh, Shorty Rogers, Bud Shank and Jimmy Rowles, to name a few. Volume II features the same stellar lineup as Volume I including: Alex Cline, Nels Cline, Alan Broadbent, Peter Erskine, Larry Koonse, Alan Pasqua, Stacy Rowles and many others.

"From downbeat to the very last fading note, the performances are uniformly breathtaking."

Jazz Report Magazine, Spring 2000 - *The Music of Eric von Essen Volume I*

"The level of interpretation is very high throughout. The soloists are interesting and sometimes arresting, and the group interaction is consistently high throughout."
