**CG109** | *Pomegranate*, **Stuart Liebig**

This set of four concerti is an epic masterwork by composer/bassist Stuart Liebig. It features Nels Cline on electric guitar, bassist Mark Dresser, Vinny Golia on soprano saxophone and Tom Varner on french horn, backed by a crack seven piece ensemble of L.A.'s finest creative musicians. Liebig, a veteran of bands with Les McCann and Julius Hemphill, bridges the gap between creative jazz, contemporary classical music, and skronk-rock. With soloists Cline, Dresser, Golia & Varner, this is destined to become a jazz/new music classic.
